Request for Entry of Previously Submitted Response

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

Transmitted herewith is a copy of the Response to Office Action ("Response") and Transmittal that were mailed on December 19, 2000 to "Assistant Commissioner for Patents, Washington, D.C. 20231". The Applicants respectfully request entry of the previously submitted Response.

A copy of the Response is being forwarded due to the possibility that the original Response was stolen from a mailbox for the United States Postal Service and not received by the United States Patent and Trademark Office. More specifically, on December 19, 2000, my assistant, Jennifer Davis, deposited the Response in a First Class Mailbox ("Mailbox") of the United States Postal Service located on Spring Canyon Road in San Diego, California. A certificate of mailing certifying the mailing date of December 19, 2000 was included in the original Response. A return receipt postcard was also included with the Response. The postage was first class and prepaid on the Response. On December

20, 2000, my assistant returned to deposit more mail at the Mailbox. However, the Mailbox had a notice from the United States Postal Service stating that the Mailbox had been broken into the previous day, i.e. December 19, 2000. The Mailbox was removed on December 21, 2000 and replaced on December 22, 2000. Unfortunately, we have no way of being sure the mail was picked-up by the United States Postal Service before the break-in occurred.

We have been checking for the return receipt postcard that was included with the Response, and we have not received it as of January 22, 2001. In addition, a check that was included with the response has not cleared my bank account. I also called the Examiner on January 9, 2001 and he has not received the Response.

Thus, we are resubmitting a copy of the Response along with check number 7219 in the amount of \$394.00 in place of the previously submitted check.

If a petition for consideration is necessary, the Applicants respectfully Petition that the Response be considered filed on the original mailing date of December 19, 2000. If this request is denied, the Applicants respectfully petition for a one-month extension of time so that the newly filed copy of the Response is timely filed.

DATED this 22 day of January 2001.

Respectfully submitted,
